

# NATIONAL WORKSHOP ON REGULATORY COMPLIANCE FOR ACCELERATING INNOVATIONS

July 30, 2019

Venue-The Maharaja Sayajirao University of Baroda, Vadodara, Gujarat

Department of Biotechnology (DBT) jointly with Central Drugs Standard Control Organization (CDSCO) is organizing a national series of six regulatory workshops across the nation on facilitating resolution of regulatory concerns faced by the innovators in India. This workshop series is being conducted by Biotechnology Industry Research Assistance Council (BIRAC) a PSU of DBT and Clinical Development Services Agency (CDSA), an extramural unit of Translational Health Science & Technology Institute (THSTI) an autonomous institute under DBT. This workshop is organized with the M. S. University of Baroda, Pratapgunj, Vadodara, Gujarat. This workshop series aims to facilitate 'Make in India' drive by helping the innovators and will offer an opportunity to the innovators to interact with the regulators to resolve their regulatory issues thereby facilitating them to seek market authorization. Deliberations will be on various regulatory pathways applicable for development of the new drugs, biopharmaceuticals, vaccines, medical devices & IVD kits, phytopharmaceuticals from discovery till commercialization.
