

## Step by step guide to submit application for “Prof. M.K. Bhan Mid-Career Research Fellowship Program” Application

Step-1: Go to home page of BIRAC and click on the provided link

The banner features logos for Grand Challenges India, BIRAC, and the Bill & Melinda Gates Foundation. The title is "PROF. M.K. BHAN MID-CAREER RESEARCH FELLOWSHIP PROGRAM". Below the title, it states: "(Instituted in memory of the renowned pediatrician and an eminent scientist, Padma Bhushan Prof. Maharaj Kishan Bhan) Jointly supported by Department of Biotechnology, Ministry of Science & Technology, Government of India & Bill & Melinda Gates Foundation Implemented by Grand Challenges India, BIRAC". A central image shows Prof. Maharaj Kishan Bhan speaking at a microphone. To the right, text describes the fellowship: "Fellowship designed for well established mid-career researchers with atleast 15 years of work experience post PhD./ MD in Global Public Health Research and Healthcare Sector". Below this, two bullet points state: "Duration of the fellowship is 5 years" and "Fellowship will support a fellow for a specific project in the mandated areas". A yellow arrow at the bottom right indicates "Application Open: 2nd February' 2024 (5:00 pm IST) to 30th April' 2024 (5:00 pm IST)". At the bottom, contact information is provided: "For program details and online application, visit our website www.birac.nic.in and GCI-BIRAC website www.birac.nic.in/grandchallengesindia. For queries, please contact GCI BIRAC at mdpmubmgf@birac.nic.in and/or user-24@birac.nic.in". The text "Prof. M.K. Bhan Mid-Career Research Fellowship" is circled in red.

Step-2: Click on “Click here to Register”

The screenshot shows the website's navigation bar with links: ABOUT, PROGRAMMES, PARTNERSHIPS, REGIONAL CENTRES, IP & TT, CALL FOR PROPOSAL, CONTACT US. The main header area contains "PROF. M.K. BHAN MID-CAREER RESEARCH FELLOWSHIP" and "HOME | PROF. M.K. BHAN MID-CAREER RESEARCH FELLOWSHIP". Below the header, two buttons are visible: "Click here to Register" (circled in red) and "Click here to view RFP". The "INTRODUCTION" section begins with: "This fellowship has been instituted in memory of Padma Bhushan Prof. Maharaj Kishan Bhan, the renowned pediatrician, an eminent scientist and former Secretary, DBT and Chairperson, BIRAC, Government of India. Prof. Bhan was a luminary of Indian public health who contributed immensely to this field and revolutionize the biotechnology landscape in India. Prof. Bhan instituted various initiatives to foster research, collaboration and implementation capacity of India. Prof. Bhan believed in investing and encouraging biomedical research and innovation to derive excellence and leadership in science. Dr. Bhan continuously worked to encourage, engage and train the next generation of researchers and committed leaders of the science fraternity within India, who would steer and contribute to the improvement of public health in the country." It concludes with: "To honor the legacy of Prof. Bhan and embolden his goals, the Grand Challenges India (GCI) partners have instituted the Prof. M. K. Bhan Mid-Career Fellowship Program, implemented by GCI at BIRAC."
